

## **REQUEST FOR QUALIFICATIONS: ON-CALL SAFETY INSPECTORS FOR COMMERCIAL SOLAR SITES**

### **1. PURPOSE**

The Connecticut Green Bank (the “Green Bank” or “CGB”) seeks applications from qualified energy professionals (“Contractors”) to inspect the safety practices of commercial solar installations in construction and during maintenance.

The chosen Contractor(s) will perform inspection services of the safety practices in relation to commercial-scale solar projects. The inspections will cover two phases: (1) safety practices during construction of solar projects, and (2) safety practices during the maintenance of solar projects. Engineering, procurement and construction (EPC) Contractors, and operations and maintenance contractors, undertaking the construction and maintenance of the Green Bank’s solar projects are contractually required to follow certain safety protocols. The purpose of the inspections is to confirm that federal and state safety protocols are being followed.

### **2. CGB BACKGROUND**

The Green Bank was established by Connecticut’s General Assembly on July 1, 2011 as a quasi-public agency that superseded the former Connecticut Clean Energy Fund. The Green Bank’s vision is to lead the green bank movement by accelerating private investment in clean energy deployment for Connecticut in order to achieve economic prosperity, create jobs, promote energy security, and address climate change. The Green Bank’s mission is to support the Governor’s and Legislature’s energy strategy to achieve cleaner, cheaper and more reliable sources of energy while creating jobs and supporting local economic development. As the nation’s first “green bank”, the Green Bank leverages public and private funds to drive investment and accelerate clean energy deployment in Connecticut. For more information about the Green Bank, please visit [www.ctgreenbank.com](http://www.ctgreenbank.com).

Conn. Gen. Stat. § 4a-60a(a):

Nondiscrimination Certification. Consultant represents and warrants that, prior to entering into this Agreement, Consultant has provided Green Bank with documentation evidencing Consultant's support of the nondiscrimination agreements and warranties of the statutory nondiscrimination sections, above. A

form of the Nondiscrimination Certification to be signed by the Consultant is attached.

Occupational Safety and Health Act Compliance. Consultant certifies it (1) has not been cited for three or more willful or serious violations of any occupational safety and health act or of any standard, order or regulation promulgated pursuant to such act, during the three-year period preceding the date of the Agreement, provided such violations were cited in accordance with the provisions of any state occupational safety and health act or the Occupational Safety and Health Act of 1970, and not abated within the time fixed by the citation and such citation has not been set aside following appeal to the appropriate agency or court having jurisdiction or (2) has not received one or more criminal convictions related to the injury or death of any employee in the three-year period preceding the date of the Agreement.

Consultant should further provide a statement stating the basis for each claim of exemption. It will not be sufficient to state generally that the information is proprietary or confidential in nature and not, therefore, subject to release to third parties. A convincing explanation and rationale sufficient to justify each exemption consistent with General Statutes §1-210(b) and § 16-245n(d) must be provided.

Consultant acknowledges that (1) Green Bank has no obligation to notify Consultant of any FOIA request it receives, (2) Green Bank may disclose materials claimed by Consultant to be exempt if in its judgment such materials do not appear to fall within a statutory exemption, (3) Green Bank may in its discretion notify Consultant of FOIA requests and/or of complaints made to the Freedom of Information Commission concerning items for which an exemption has been claimed, but Green Bank has no obligation to initiate, prosecute, or defend any legal proceeding, or to seek to secure any protective order or other relief to prevent disclosure of any information pursuant to an FOIA request, (4) Consultant will have the burden of establishing the availability of any

FOIA exemption in any such legal proceeding, and (5) in no event shall Green Bank or any of its officers, directors, or employees have any liability for the disclosure of documents or information in Green Bank's possession where Green Bank, or such officer, director, or employee, in good faith believes the disclosure to be required under the FOIA or other law.
